A MESSAGE FROM THE CATALOGUER . . .

It is with considerable pride that I present this, my second Central States auction sale. This year it is combined with the Iowa Numismatic Assn. I have made every effort to obtain choice material, as well as something to fit into every collection. Most of all, I have given great consideration to every piece in listing it. I have presented it without a lot of fancy description and just as I would have wanted it to be if I were the buyer. Where I have mentioned values, they were as guides and not inflated values.

At the Central States convention in Milwaukee, Wisc., last year I had without a doubt the finest time I ever enjoyed at a Numismatic meeting. These fellows in the Middle-west are not only fine collectors, but real hosts. I would like to personally invite you to attend this meeting, whether you live in the central states area or not. If you don't leave saying you had the best time Numismatically and socially I will make you a present of an 1856 flying eagle.

A great many collectors at the present time are very busy working on vital War work. This is as it should be and I don't believe anyone should let their hobby interfere with an all out effort to save Democracy. But also remember that we are more capable and efficient in our work when we have a certain amount of recreation. I sincerely believe that collectors should continue their hobby as long as it does not interfere with War work.

Hoping that everyone is able to add something to their collection that pleases them. Just keep this in mind when you are bidding. This material belongs to another collector. The Pittsburgh consignment is being sold for a chap going into the Army. The Iowa consignment is being sold so the man can invest more in War Bonds. Don't make foolish bids, high or low, but bid according to what you think the coins are worth.

Send in your bids early and I will give them my personal attention. Will be pleased to answer any questions.

JAMES KELLY.

Conditions of Sale

This sale will be a public sale, the highest bidder to be the buyer. If any dispute arises between two or more bidders, the lot in question shall be resold immediately.

Mail bidders will receive the same consideration as persons attending the sale, for I will act as your personal agent and execute your bids at the lowest possible figure.

The terms of auction sales are strictly cash, and must be paid for immediately upon receipt of material. Bidders not having established their credit with me must send a deposit of at least 25% of their bids or they will not be entered.

There will be no charges for executing your bids. You pay only the cost of postage and insurance.

Be sure you bid on the lot you wish to buy. Bid on the lot number and at so MUCH PER PIECE. I can not correct your errors. Mistakes on my part will be cheerfully adjusted. All claims for adjustment must be made on receipt of material.

All coins or bills offered for sale are guaranteed genuine.

ALL BIDS TO BE PER PIECE AS NUMBERED IN THE CATALOGUE
UNLESS OTHERWISE STATED.

MAIL BIDDERS PLEASE SEND IN YOUR BIDS EARLY AS POSSIBLE.

Lots will be on display from 10 A. M. day of sale, or any time by appointment at my office.

Special Notice

Bids by mail must be received at my office in Dayton, Ohio, not later than Thursday, May 7th. Otherwise send them direct to JAMES KELLY, HOTEL FORT DES MOINES, DES MOINES, IOWA.
